38.6 - 40.0 GHz band for terrestrial services in the United States. The need to finalize a responsive United States proposal relating to WRC-97 agenda item 1.9.6 that seeks appropriate WRC-97 action to ensure the above-mentioned unimpeded terrestrial service access while providing for reasonable satellite service accommodation internationally was also discussed.

Pursuant to Section 1.1206(a)(2) of the Commission's Rules, one copy of this letter is being submitted herewith. Copies of this letter are also being simultaneously delivered to the above-mentioned Commission representatives.

Very truly yours,
